2. [REDACTED] FOIA/LIAISON After several attempts to contact each other, I finally responded to a call from Ms. Barbara Flickinger, in the office of Senator Patrick J. Leahy (D., Vt.), who wanted to know how another staff member could file an FOIA request with the Agency concerning an OSS document written by his/her grandfather. I passed the information to her.

3. [REDACTED] LIAISON Called Guy McConnell, Senate Appropriations Committee staff, and told him we received word from the Operations Center that he had called over the weekend to cancel the briefing by the Director tomorrow. McConnell said he had cancelled it, and asked if we could try 8 March at 2:00 p.m. or sometime on Friday. This message was passed to [REDACTED], O/DCI, who said Thursday would be fine. Jane McMullan, of the Committee staff, was advised.
